QuickBooks Cleanup (Messy Books)

If your books are already entered but messy, we offer fixed-fee cleanup:

- Minor Cleanup (under 3 months): \$175 flat
- Moderate Cleanup (3–6 months): \$350 flat
- Deep Cleanup (6+ months): Custom quote

Includes:

- Fixing miscategorized entries
- Correcting duplicate or missing transactions
- Preparing reports for tax filings

Why Flat-Rate Beats Hourly Billing

- Predictable pricing every month
- Easier to budget for and scale
- No surprise invoices
- Better transparency into services included

Test Case: Jon's Mobile Repair Shop

Problem: Jon was quoted \$65/hour from a local bookkeeper with no clarity on timeline or deliverables.

Solution: He switched to RemoteBooksOnline and pays \$195/month for full-service monthly bookkeeping and \$160/month for 6 months of catch-up.

Outcome: He now receives CPA-reviewed reports by the 10th of every month—without guessing costs.
